#### **IN REMEMBRANCE**

Richard Rothwell, Sr.

1936 - 2011

It is with great sadness that we learn of the passing of Richard Rothwell, Sr. on Thursday, December 29, 2011.

Richard collected stamps as a child; was in the Boy Scouts, and was encouraged by his Dad who was also a stamp collector.

Rich was a lifetime member of the Long Beach Stamp Club and was very active in Club events. He was working with kids in promoting the hobby of stamp collecting and he was instrumental in starting **KIDS CORNER** – which has been sponsored by the Club at all the LOBEX shows for many years.

His warmth and sense of humor will be sorely missed by all of us.

Rich is survived by his wife of 47 years, Sharon, and his two sons, Douglas and Robert.

#### LOBEX STAMP EXPO

# **STAMP QUIZ FOR JANUARY**

N *"The Legend of Sleepy Hollow"*, the gentle and credulous schoolmaster Ichabod Crane is frustrated in his attempts to woo the beautiful Katrina van Tassel and finally driven off entirely by the appearance of a sinister headless horseman.

According to legend, the headless horseman was the ghost of a soldier from what state?

- a. New York
- b. New Jersey
- c. Massachusetts
- d. Hesse

If you think you know the

answer; please send it to the Club's P.O. Box or you can email your answer to leb\_dorbaumann1@verizon.net.

{Answers must be received on the Saturday preceding the first meeting of the month.}

#### ANSWERS TO DECEMBER'S STAMP QUIZ

YOU are excused from the anchor detail if you answered (c), *Hohenzollern*.

Named after the ruling family that provided two imperial rulers to the German state, the *Hohenzollern* was the ocean going yacht of Kaiser Wilhelm II.

It appears on German colonial issues of Africa, the Pacific, and the Far East and is known as the "Yacht" or "Ship" key type. Similar to a common design, the key type is a basic design created for stamps issued by a particular country for its dependencies, possessions, or colonies. The "Yacht" key type was in use from 1900-1919.

The *Hindenburg*, you might remember, was not a naval ship at all but the name of the famous zeppelin that exploded at Lakehurst Naval Air Station in 1937. The stamp is Scott 17.
